

WANT TO ADOPT OUR CLASS?

Our Classroom Partnership "Adopt-A-Class" program is underway again for this school year. This program allows businesses, organizations and families to adopt one or more classes **or** specialty areas at our school. The specialty areas include: art, cafeteria, computers, library, music, office, P.E., religion and Spanish. The donation goes directly into the classroom for our students' education.

Many schools in our county and in our diocese have found Classroom Partnerships to be a wonderful way to get the Community Involved In education. We had great success at St. Patrick's last year. The money allows teachers to purchase things for the classroom that otherwise would not be available to our students!

The cost of Class adoption is only \$150.00 and is a **tax-deductible donation**.

If you own a *business*, please consider adopting a class at St. Patrick School!
If you know someone who owns a business, please tell them about our program!

Please fill out this form & return It with your donation of \$150.00 to:
St Patrick Catholic School, Adopt a Class, 1501 Trotter Road, Largo, FL 33770.

NAME OF BUSINESS / INDIVIDUAL: _____

ADDRESS: _____

CONTACT PERSON: _____

CONTACT NUMBER: _____

Please circle one if you have a preference, if not, please leave blank:

KINDERGARTEN	FOURTH GRADE	EIGHTH GRADE	RELIGION	RESOURCE	VPK
